1 I, Evi Quaid, declare as follows:

2 1. The facts set forth herein are true of my own personal knowledge, and if called  
3 upon to testify thereto, I could and would competently do so under oath. I am a former Helmut  
4 Newton model and filmmaker. An Actors' Equity employee broke my finger when he violently  
5 jerked a video camera out of my hand. If anyone needs restraining, it is Actors' Equity.

6 2. I am the wife of Randy Quaid, who played the title role of Falstaff in the  
7 Broadway production of *Falstaff on Broadway*. Actor's Equity has asserted that I sexually  
8 harassed an entire advertising agency (at least 34 men) which handled some of the advertising for  
9 the play. This dispute also arises out of Randy's performance in the play, which Variety called  
10 "undeniably fun to watch," and a silent film I created for the play which Variety said was  
11 "expertly executed."

12 3. Last week Randy Quaid and I returned to Los Angeles from Slamdance-Park City,  
13 where he was promoting his film *Real Time* (in which he stars as a hit man; review and Randy  
14 Quaid biographical information attached hereto as Exhibit "A"). Shortly thereafter, on the  
15 morning of January 25, 2008, I went to the lobby of the Actors' Equity office at  
16 Blvd., Los Angeles, California. I wanted to obtain performance reports and other documents  
17 concerning the play (among other things).

18 4. Actor's Equity representative Susan Wallace refused to allow me entrance to  
19 Actors' Equity's offices. I was physically restrained from behind by a security guard. The  
20 security guard pinned me to the ground and placed handcuffs on one of my wrists. I was in pain,  
21 and cried for help.

22 5. While I was pinned to the ground by the security guard, a male Actors' Equity  
23 employee violently jerked a video camera out of my hand and broke my finger. I was bleeding  
24 because of this. The video from my camera shows that this male Actors' Equity employee  
25 apparently had an erection while he was assaulting me.

26 6. After the security guard released me, I left Actors' Equity's offices. To the best of  
27 my knowledge, I was the only person physically accosted, and the only person injured, on this  
28 occasion at the Actors' Equity offices.

1           7.       I have not spoken with anyone from Actors' Equity since I was at their offices the  
2 morning of January 25, 2008. After my experience, I have no desire to ever again step foot in  
3 any Actors' Equity office.

4           8.       Although the bleeding stopped, my finger swelled up and was becoming more and  
5 more painful. Later that day (January 25, 2008), I went to see Dr. Miles Cohen, and an x-ray was  
6 taken of my finger (a true and correct copy of which is attached hereto as Exhibit "B"). I  
7 understand that my finger is broken because of the force applied against me by the Actors'  
8 Equity employee, that I will require surgery and that it will be weeks before my finger is mobile.  
9 I have been in excruciating pain because the Actors' Equity employee broke my finger.

10          9.       I would like an order against Actors' Equity restraining them from assaulting,  
11 communicating with or otherwise coming into any contact with Randy Quaid and myself.

12                I declare under penalty of perjury under the laws of the State of California that the  
13 foregoing is true and correct.

14                       Executed on January 27, 2008, at Los Angeles, California.
