Description of Incident: At 0140 hours on Sunday, January 27<sup>th</sup>, 2008, a physical altercation took place inside Infinity. Evidently, Mr. Richard Jefferson of the New Jersey Nets Basketball Team and Infinity patron Lyle Fox had engaged in a minor verbal disagreement before it quickly escalated. According to Dan Graves, Mr. Jefferson had been on top of Mr. Fox, with both hands on Mr. Fox's neck. Dan stated that it appeared that Mr. Jefferson had been choking Mr. Fox. Richard Jefferson quickly exited the club, at which point Dan asked him to wait a minute so they could all figure out what had happened. It was then that Mr. Jefferson verbally threatened Dan, stating that, "Say another word I will kick your ass." Dan then spoke again with Mr. Fox, who said that he didn't want the police involved because he was not "OK" with the cops. Mr. Fox then left the property.

I informed Nick Mohin of the situation. He contacted Mr. Tim Walsh, a representative of the team, and informed him that we are aware of what transpired, and that while we would not be getting the police involved due to Mr. Fox's not wanting to pursue it, any further incident and we would have no choice.
