

OFFICIAL STATEMENT OF MARK HATTEN

FRONT

Re: Biological father of  
DANNIELYNN.

EXTRA/TMZ,

In JUNE OF 2000  
I MARK "HOLLYWOOD" HATTEN  
WILLFULLY GAVE A "SPERM SAMPLE"  
to then Girlfriend Anna Nicole  
Smith, which she GAVE to a  
Doctor for future use.

Anna Nicole playfully said,  
"CONGRATULATIONS MR. HOLLYWOOD,  
you just made a deposite in  
the Anna Nicole SPERM BANK".

I allege that I could be the  
father OF Dannielynn by means  
OF artificial insemination.

I am formerly requesting to compare  
my DNA to both Anna Nicole  
and the infant child Dannielynn.

TMZ Sincerely,

2-8-07 Mark Hollywood Hatten
