Dear Carrie,

We watched the Miss USA Pageant with great interest and applaud you on your competitive spirit, talent and beauty.

We are aware of the controversy caused by your statement about same sex marriages as well as your concern about the topless photos of you that have appeared online.

Our studio is known for its high quality adult films and we are offering you up to \$1-million to star in one of our upcoming movies.

This is purely a business offer and has nothing to do with your religion or your personal beliefs. It could be an opportune way for you to benefit from your recent exposure and we believe this experience could be an important step for you towards expanding your horizons..

Please call me at your earliest convenience so we can discuss this.

Sincerely,

Steven Hirsch
