Re: Kim Kardashian

Dear Mr. Robinson;

I represent Kim Kardashian. I write demanding that you CEASE AND DESIST, immediately from making any representations whatsoever about Ms. Kardashian. It has come to my attention that you have claimed to be "presenting" several events, selling tickets for these events and claiming that Kim Kardashian will be "hosting" such events. Such claims are patently untrue, and fraudulently made on your part.

Two of such events are "Celebrity Lingerie Fashion Show" and "Gemini Birthday Party". You have used the name of Bam Bou Club at 2540 University and Venue Night Club 719 Main as the addresses of the proposed events.

You have appropriated and used Ms. Kardashian's identity without her consent, in your commercial and probably fraudulent endeavors, with probably injury to Ms. Kardashian. You have also, in our view, violated California Civil Code Sections 3344 et. seq.

Our investigation into your actions continues and we intend to look into your connection with Bam Bou Club and Venue Night Club, it is currently our intent to share our information with the appropriate law enforcement agencies for their review and action.

We reserve the right to bring a civil action against you and those acting in concert with you to recover civil damages occasioned by your actions.

In the meanwhile, CEASE AND DESIST from using Ms. Karsahian's identity in any way.

Sincerely,

O. W. Bussey, Jr.
