Re: Marriage of Richards and Sheen

Dear Dr. Waldstein:

This shall confirm our telephone conversation of earlier today wherein I advised you that my client, Charlie Sheen, does not consent to your treatment of his children, Sam and Lola Sheen.

Notwithstanding your knowledge that Mr. Sheen does not consent to your treatment of the children, you advised me that you would continue to treat Sam and/or Lola if they were brought to you because you "do not turn away sick children."

This letter constitutes formal written notice that Mr. Sheen does not consent to you providing any treatment to Sam and/or Lola Sheen and that Mr. Sheen reserves all of his rights to pursue appropriate action against you should you continue to treat his children without his consent.

Very truly yours,

MIRANDA SWIMMER
