Dear Paris,

Last night, we heard that you were craving Taco Bell food "in the worst way" after your stay in jail. Frankly, we're flattered to be your first meal! We have dispatched some folks to deliver some food personally to you today.

But here's our big idea, we know you love Taco Bell and we want to help express your gratitude to the fans that have supported you by feeding them our all-new Chicken Grilled Taquitos — for free — for three hours at the Taco Bell restaurant of your choice. Just name the location, give us a couple days notice and if you are there, we'll start handing out some Chicken Grilled Taquitos. Our Taquitos are perfect for eating on the go, something I'm sure you can appreciate. Heck, we'll even feed the "tacorazzi" that cover your every move.

So let us know Paris, call us, write us, text us...or let us know on *Larry King Live*, we know everyone will be watching.

Sincerely,

A handwritten signature in black ink that reads "Greg Creed". The signature is written in a cursive, flowing style.
