Sorry babe its just that shes really weird about that kind of stuff especially because of pete! She would like 2 think that u have no idea where she lives. I don't mean 2 be upset w u its just another added stress 2 my job that I would rather not have. I love you baby and can't wait 2 c u tonight.

Subject: Re:

Yes. It was just an idea. We wouldn't have to beat her up and you don't have to be juanita. U could be jessiquita if that's more ur steez.
