On July 26th, 2007 at approximately 11:55 A.M. the Las Vegas Metropolitan Police Department received a report of a disturbance at the Wynn Hotel & Casino, 3131 So. Las Vegas Boulevard.

Responding officers determined that a private security officer, later identified as Julio Camera, was escorting Britney Spears through the Wynn property when an altercation occurred between Mr Camera and a photographer who was attempting to take pictures of Ms. Spears. It was alleged that during the altercation the photographer was battered by Mr. Camera.

Detectives from Metro's Violent Crimes section responded and, following their investigation, Mr. Camera was issued a citation for misdemeanor battery. The photographer received minor abrasions during the incident.

A second Incident Crime Report was also filed by Ms. Spears on behalf of her minor child. In that report it was alleged that prior to the above incident a second photographer, identified as Kyle Henderson, battered both Mr. Camera and Ms. Spears' child, who was at that time being held by the security officer.

Both incidents remain under investigation by L.V.M.P.D..
