

I read your letter and just wanted to thank you for your kind words of love and support. The fact that you took time out of your day to write me truly means the world. Especially at such a difficult and scary time in my life. But I am being strong and trying to make the best out of the situation. And the letters I'm receiving really do put a smile on my face as I sit here in my cell, sad and alone. Again, thank you so much and may God bless you and your family.

Love always
