City Manager, City of West Hollywood  
8300 Santa Monica Blvd.  
West Hollywood, CA 90069

Dear Mr. Arevalo,

As Principal of [redacted] I would like to express my concerns about ongoing activities at [redacted] Street in West Hollywood. This apartment building is directly across the street from

[redacted] a parent at [redacted], has been talking for years about her specific problems with residents in this building, particularly Andy Dick, who is the property owner. Aside from loud parties that continue into the morning, I am particularly concerned with the drug and alcohol use at this property, which endangers the entire community.

I am a member of the Children's Round Table, help organize The West Hollywood Book Fair and [redacted] School participates annually in the West Hollywood Healthy Kid's Fair. I am concerned about the safety and well being of all students in and around [redacted] community. I urge you and the City Council to take action regarding this property that makes West Hollywood safer for all the children who live and go to school here.

Sincerely,
