Dear Donald:

As promised when we were together this past spring, I've enclosed a rough cut of our USFL film. I'm guessing you won't love all of it, but I hope you appreciate that I've tried to be fair and objective and tell the story as it's been remembered by the participants.

We are currently setting up a Premiere screening in New York for the middle of October, and I hope you'll join ESPN, the filmmakers, and "alumni" of the USFL for what should be a fun and nostalgic evening.

Again, thanks so much for your help with the project.

Regards,
