1

ON MAY 20, 2006 - Defendants and I were featured in a CNN documentary called CNN Presents "How to rob a bank". If you watch closely, you will see Bank surveillance Photos of me in a Bank of America committing Identity theft, but look closely in the background and you will see Britney Spears with a gun pointed at my back forcing me to commit fraud to get \$2,500 for abortion money for Britney. I was forced against my will by Britney Spears to commit fraud and call Bomb threats on Telephones by endangering my life. Britney Spears from 2001 until Feb 25<sup>th</sup>, 2003 was the mastermind of my Identity theft operation

Britney Spears gave me Patty Hearst syndrome. I had to commit fraud during the years to pay for Britneys Breast Implants, Pay for her cocaine and Alcohol. Further look on the CNN program the FBI had me under surveillance in a Bloomingdale's parking lot. Look closely at my Gold Lexus and you will see Britney Spears in my front seat with a Joint in her hand and a detonator with chemicals around my neck that will break. If Spears pushed the button, Spears got the Idea from Federline when Federline put explosives on Pizza Man wells in Erie PA. The Defendants conspired to rob banks for 3 years.

2

From May 2001 until Feb 2003, I had a intimate relationship with Britney Spears at my home in Holiday, FL. Britney was pregnant 3 times by me and I had to commit bank theft to pay the abortions. This was against my will. I obey all laws of the land, I was under Britneys spell that I could not break.

TRO Temporary Restraining Order

Britney Spears has a summer home in Savannah and plans to come to FCI Williamsburg and make me rob other inmates commissary to pay for a abortion for Federline. Im in danger. Im still cold and hungry. I should me there in society and Britney Spears should be at FCI Williamsburg. Britney Spears plans to hitch a ride with O.J. Simpson who is also in Rout to destroy my chemistry. Plaintiff prays for relief.
