Re: Confidentiality Agreement/Statements to Press and Media

To All Current and Former Employees of Backstage or DCDI:

Recent reports in the media, attributed to "sources," include information of questionable accuracy, and comments which are attributed to crew and cast. Your confidentiality agreement with Backstage or DCDI precludes you from disclosing matters to the press and media.

As a condition of your employment, you signed a Confidentiality Agreement or otherwise agreed to maintain confidentiality of all matters learned while employed by Backstage or DCDI, which prevents disclosure to the media. We will take all necessary and appropriate action to enforce the terms of the Confidentiality Agreement and other confidentiality agreements, oral or written. The confidentiality agreements do not preclude you from speaking with law enforcement in the course of an investigation, if you so choose.

This letter is to remind you of your oral and written contractual obligations, under the Confidentiality Agreement or as otherwise agreed to, both during your employment and after, and our commitment to enforce the Confidentiality Agreements and other contractual agreements regarding confidentiality.

Very truly yours,

LAXALT & NOMURA, LTD.

JANICE HODGE JENSEN
