

Dear American Voters:

You might not expect a legal brothel owner from Nevada to get behind a GOP presidential contender. But we at the world-famous Moonlite BunnyRanch hope to spread something extraordinary – as we do every day – by sparking a groundswell of support for Ron Paul.

I know, you're thinking, "But Dennis, given the nature of your fine establishment, aren't you concerned that he's against a woman's right to choose? And don't some of his ideas seem impractical, or a bit kooky, like abolishing the Department of Education, Federal Reserve Bank and even Medicare?"

Sure, we may differ on a few issues. But when it comes down to basics, he's right on the money. As a libertarian, Ron Paul has consistently worked to limit the power of government and defend free markets, lower taxes and offer sound monetary policy. The *only* Republican candidate against the war in Iraq, he's also been a tireless supporter of affordable health care, environmental stewardship, and a sensible immigration policy.

Then there's his support of legal brothels, like mine – The BunnyRanch – as seen on HBO's smash hit "Cathouse."

Recently I was invited by my good friend Tucker Carlson to attend a speech Ron Paul gave in Reno, and frankly I was blown away by what I heard. Along with his longtime defense of privacy, he affirmed his unwavering support for states' rights. That means a lot in my part of Nevada, the only state in the U.S. where prostitution can be legally enjoyed. As an OB/GYN doctor, Dr. Paul can certainly appreciate our point of view, and that of our patrons. And while he personally has never been with a hooker, if elected President of the United States, he will defend your right to do so.

Which is why I'm launching a personal campaign – "Pimpin' for Paul" – to help lubricate Ron Paul's path to the White House. Here's the Top 5 reasons to support him:

#5: He'll fight for our right to service our customers all day and all night.

#4: We'll finally have a board-certified gynecologist in the White House, someone we can trust with his finger on the button.

#3: Ron Paul and Air Force Amy *both* have a strategy to end the war (though Amy's sounds like more fun).

#2: From the White House to HBO's "Cathouse," Paul protects the rights of ho's in different area codes.

But here's the best reason for *you* to support Ron Paul:

#1: When you visit The BunnyRanch, we'll give you *two* bunnies for the price of *one* when you tell us you're "Pimpin' for Paul"!

So stiffen your resolve and help keep America the land of the free – pledge your support today at www.RonPaul2008.com. And remember, we'll keep the bunnies warm for you.

Sincerely,

Dennis Hof, Owner
Moonlite BunnyRanch
Carson City, Nevada
